UTT RIOT BATON

Designed with balance and security in mind, the UTT RIOT BATON provides a solid, durable feel. Knurled grips offer superior retention with both gloved and bare hands. The UTT RIOT BATON is available with a rubber grommet for use with ring holder, with attached paracord lanyard for added retention.

Available in two models, the RBAL-1034 is designed using aircraft grade aluminum; and the RBNY-1036 is constructed from durable 6/6 nylon.

Available Models
RBAL-1034 34" Aluminum
RBNY-1036 36" Nylon

Finish

RBAL: Black anodized hard coat

RBNY: Black Polymer Finish

Materials

Aircraft grade aluminum 6061 T6
6/6 Extruded Nylon
